

NEWS RELEASE

For release after market close February 25, 2013

Novra Technologies Appoints CFO

Winnipeg, Manitoba, Canada – Novra Technologies Inc. (“Novra”) (TSX Venture: NVI) is pleased to announce that it has appointed Patricia Gair as its Chief Financial Officer. Ms. Gair has been with Novra for more than 10 years in various capacities before taking on this role. After completing a B.Sc. in Electrical Engineering at the University of Manitoba, she held leadership and technical positions at other technology companies including IBM Canada and Infocorp Computer Solutions prior to joining Novra.

About Novra Technologies Inc.

www.novra.com

Novra Technologies offers premium products and solutions to the datacasting and digital signage markets. Novra specializes in the transmission and reception of IP traffic over satellite, cable and terrestrial communication links. Products offered include broadband receivers for DVB-S, DVB-S2, DVB-C, and ATSC systems. Novra’s IPE encapsulator products can be used in both DVB and ATSC MPEG2 systems for datacasting as well as broadband access applications. The NovraLink digital signage solution integrates Novra’s technologies into a comprehensive multimedia management and distribution system. .

Neither TSX Venture Exchange nor its Regulatory Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
